## FLOWER POWER...

### Soak in a Spring Bouquet with Bath By Bettijo's Tub Teas

**Alexandria, VA – April 2004** – Fresh flowers aren't the only buds popping up this Spring. Bath By Bettijo's unique **Tub Tea** blends are filling tubs, rather than vases, with vibrant botanicals for bath time stress relief with a fun Spring twist.

**Created by Bettijo B. Hirschi, Bath By Bettijo offers a comprehensive collection of natural, handmade soaps, toiletries, and other aromatherapy bath and body products.** Bath By Bettijo's **Tub Teas** offer a fragrant blend of herbs and botanicals that you soak in rather than sip. Simply fill a warm bath and infuse one of the delicious blends and then climb in for a long, healthy soak. Available in two aromatherapy blends:

**Soothing Lavender Chamomile Tub Tea** – A blooming lavender field in the heart of France is as near as the tub's faucet. Clarifying and relaxing dried Lavender, Chamomile and Calendula blossoms are blended with precious Lemon Verbena leaves, to transform bathwater into a comforting oasis. Cares will float away as mind and body rebalance, making this one perfect to use before a restful night's sleep.

**Relaxing Eucalyptus Spearmint Tub Tea** – This blend infuses bathwater with Spearmint, Eucalyptus leaf, Juniper Berries, Balsam Fir, and Rosemary for an invigorating and energizing soak. Breathe in the purifying steam and feel stress evaporate. Skip the shower and start the day feeling relaxed and refreshed with this herbal pick-me-up.

Each Tub Tea is packaged with a reusable antique tea infuser. To use place a tablespoon of tub tea in the infuser and steep as a warm bath fills. After soaking, simply discard the contents and hang the lovely metal infuser from the faucet until the next soak. The Tub Teas contain enough herbs for approximately 30 baths.

Tub Tea blends are perfect to use for a relaxing facial steam. The perfect stress-releaser for when there is not time for a bath. Simply add a tablespoon to a bowl of boiling water. Place your face over the bowl and cover your head and the bowl with a soft towel. Relax your face muscles and feel the tension release as you breathe in the purifying steam.

The Tub Teas have a suggested retail price of \$24 and are available at [www.bathbybettijo.com](http://www.bathbybettijo.com).
